## NEWS RELEASE

June 2 2010

Toronto – Union Pictures, D Films and Sony Pictures Home Entertainment Canada are proud to announce the release of the DVD for High Life, which is now available at your favourite rental and retail stores/outlets.

The Canadian DVD release of the film Maclean's called "A Canadian answer to the Coen brothers, with a Tarantino kick" contains features not available in any other version of the film including:

- Exclusive interviews with the cast and director Gary Yates
- An exclusive behind-the-scenes featurette
- English Captioning for the hearing impaired
- A new transfer of the film directly from the original master materials
- Discrete Dolby 5.1 and 2.0 Audio Mixes for improved audio quality

For more information on the "High Life" DVD (including information for US or International fans) visit the High Life website: <http://www.highlifethemovie.com>

## Recent Reviews

*"High Life is an often brilliant, funny crime story. If you didn't see High Life when it was in theatres... don't make the same mistake when it shows up at your corner video store."*

*- Ian Hamilton, CBC, 'DVDs in 7' on Sirius Radio*
